### PERMIT REQUIREMENTS

1. All irrigation systems must be installed to TCEQ requirements and City of Howe Ordinances.
2. All irrigation systems must be tested by a licensed Backflow Prevention Assembly Tester.
3. BPAT test reports must be turned into City Hall upon completion.
4. Inspection must be requested for all permits issued.
5. Irrigation permit and inspection fee is \$50.00 (re-inspection fee may be assessed as necessary).

This permit once issued, expires by limitation 180 days from the date of the issuance unless construction is commenced and inspection approval is obtained within 180 days. The authority having jurisdiction shall be permitted to grant an extension of the permit time for an additional 18 days upon written documentation, by the permittee, of a satisfactory reason of failure to start or complete the work or activity authorized by the permit. (one extension will be allowed)

#### I understand that all permits require a final inspection

I hereby certify I have read and examined this application and know the same to be true and correct. All provisions of laws, codes and ordinances governing this type of work will be complied with whether specified herein or not. The granting of the permit does not presume to give authority to violate or cancel the provisions of any state or local law or regulation regulating construction or the performance of construction.
